WHY CHOOSE SUPCO® IGNITERS?

VARIETY

We're not kidding when we say we are the igniter headquarters. Our comprehensive offering of both universal and exact replacements in silicon nitride or silicon carbide covers thousands of OEMs.

MANUFACTURING

Compare Supco® igniters to the originals and you'll find the same trusted manufacturing processes and quality material components.

VALUE

Why pay the brand name prices when Supco® replacements are precise, reliable and cost-effective? A better value means savings that you can pass along to your customers.

ACCESSIBILITY

We make it easy to cross reference your OEM igniter to a Supco® replacement. Use this guide - organized by OEM model number, visit supco.com, or download our free mobile app, Supco® Techlink™ for on-the-go convenience.
