### Commercial Range Installation Kit

1675BPQR-48

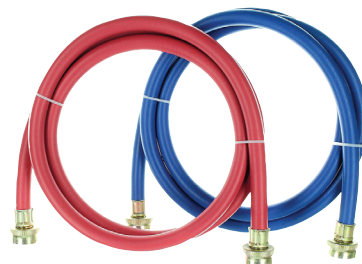

- 3/4" Male x 3/4" Male Hose
- Strain Relief
- Quick Connect

The Blue Hose™ moveable grade gas connector is composed of a 301 stainless steel corrugated tube. The outside coating is an antimicrobial PVC coating that inhibits growth of bacteria, mold and mildew on the connector. Snap fit technology fittings are located on both ends of the connector.

### 4' Red & Blue Rubber 2-Pack

4FT-FHRB-2  
6FT-FHRB-2

### Ice Maker Installation Kit

## Stevens Dollys

### SRT-2R

Model SRT is all steel. It has one, 2-piece web strap with a ratchet type tightener and automatic recoil for quick and secure loading, padded with non-marking rubber uprights and soft, protective-felt cross members, 6"x2" cushion tread rubber wheels and stair roller bearing crawler treads. It measures 60" high, has a load capacity of 750 lbs., and weighs 51 lbs

### MRT

Model MRT is constructed of lightweight, yet strong, magnesium. It has one, 2-piece web strap with a ratchet type tightener and automatic recoil for quick and secure loading, padded with non-marking rubber uprights and soft, protective-felt cross members, 6"x2" cushion tread rubber wheels and stair roller bearing crawler treads. It measures 60" high, has a load capacity of 500 lbs., and weighs 41 lbs.

## Shoulder Dolly

Designed to maintain ergonomic upright positions while moving heavy objects. The harness allows the use of a free hand to open a door, or balance the object.

**ShoulderDolly® can lift up to 800 lbs.**

**LD2000**
